The main purpose of the Forum, held in Brussels, January 31-February 1, 2011, was to discuss the proposals submitted, November 9, 2010, by the European Commission (EC) on the direction of changes in EU cohesion policy (SP) after 2013 (Communication - Conclusions: the future of cohesion policy). They were related to the end of public consultations on this document on January 31, 2011.
