In December 2018. The Marshal of the Mazowieckie Voivodeship and the JM Rector of the Warsaw University of Technology signed an agreement for the implementation of the project entitled "Center for Scientific Geospatial Analysis, Satellite Computing with Testing/Certification Laboratories for Geomatics Products (CENAGIS)." Now the created Center is starting its planned activities. The project received EU funding under the competition No. RPMA.01.01.00-IP.01-14-061/17 from Measure 1.1 Research and development activities of scientific units, project type: "Support for research and development infrastructure of scientific units" of the Regional Operational Program of the Mazowieckie Voivodeship 2014-2020.
