This article constitutes the second part of the study entitled International cooperation of the Mazowieckie Voivodeship. Foreign Cooperation Agreements. It was published in the 46th issue of the quarterly journal MAZOVIA Regional Studies. In this presented section, the international activity of the Mazowieckie Voivodeship is discussed, which constitutes the implementation of directions indicated in the documents analysed in the first part of the article. Therefore, the international activity of Mazovia is presented, grounded in programme documents and the foreign policy of the largest Polish region.
