On October 16-17, 2019, another national conference organized by the Center for Ecology and Ecophilosophy of UKSW (former Institute of Ecology and Bioethics) with the cooperation of the Forest Research Institute and Kampinos National Park was held. Honorary patrons of the conference were the Senate Committee on the Environment, the Ministry of the Environment, the Marshal's Office of the Mazowieckie Voivodeship, the State Forests and the Polish Forestry Association.
