

In 2016, the Editorial Board expanded with new scientists representing the world of science, both from the Mazovian and Lodz Voivodeships. In April, the editorial board was joined by:

Ms. Prof. Aleksandra Nowakowska from the University of Lodz, Ms. Prof. Barbara Szulczewska from the Warsaw University of Life Sciences, and Dr. nt. Artur Zaguła from the Technical University of Lodz. In June, the Council was joined by Prof. Paweł Swianiewicz from the University of Warsaw. In the near future we plan to invite scientists from France and Scotland to join the Editorial Board.

In 2016, the Editorial Team was also enlarged, with the following joining: Mr. Eng. arch. Piotr Brzeski - Director of the Mazovian Office of Regional Planning in Warsaw, Dr. Elżbieta Kozubek from the Mazovian Office of Regional Planning in Warsaw, Dr. arch. Tomasz Sławiński of the Society of Polish Town Planners, and Dr Marcin Wajda of the Warsaw School of Economics.
