Saturday, May 15, 2021. The government presented a document entitled. “Polish Deal.” It announced a number of facilitations in obtaining one’s own roof over one’s head. For example, “the construction of single-family buildings with a construction area of up to 70 m<sup>2</sup> will be possible without a permit, a manager and a construction book, but only on the basis of a notification” [“Polski Ład”, p. 66].
