Project YouInHerit is financed through the INTERREG Central Europe 2014-2020 Programme. Revival of old trades and crafts which can keep together communities and make them sustainable by contributing to their economic wellbeing is the main focus of the project: old wine cellars in Hungary, salt pans or traditional pottery in Slovenia, breweries in Poland, old boats of Italy or olive groves in Croatia are essential for local attractiveness and could be better exploited as a source of living for people.
