In the Interreg Central Europe 2021-2027 transnational cooperation program, the call for proposals is currently underway - opened on November 15, 2021. - I call for proposals. Project proposals will be available until February 23, 2022. Potential beneficiaries, while preparing projects, can take into account all priorities and specific objectives of the program - no thematic restrictions have been introduced at this stage of its implementation. The budget of the first call on the side of the allocation from the European Regional Development Fund is indicatively closed with a total amount of 72 million euros.
